

The Vintage MG Car Club of Chicago invites you to GOF Central Mark XXXIV, at the fabulous Pheasant Run Resort Hotel in St. Charles, Illinois. Pheasant Run

has been the host facility for many car clubs since 1980, including the "Bloomington Gold", one of the premier Corvette shows in the country which is held annually and attracts thousands of participants.

The hotel provides free child care and lots of activities, featuring a championship golf course, three swimming pools, a Mario Tricosi Spa and many restaurants. The resort has a live theater and Zanies Comedy Club. We are fortunate to have our GOF at this wonderful facility.

In addition to the traditional GOF events, we plan on visiting the Volo Auto Museum.

Now in its 51st year, the Volo Auto Museum draws international attention to the beautiful village of Volo, Illinois. The Museum has over 300 classic cars on display for your pleasure! It is home to the world's largest muscle car collection and the George Barris TV & Movie Car Collection. If you love classic cars, you'll love the Volo Auto Museum. It's a car lover's Theme Park. In addition to cars, there are also 3 antique malls on the premises.

Once again, we plan to have a bus trip to downtown Chicago's Michigan Avenue for an afternoon of shopping and sightseeing on the "Magnificent Mile". For those who want to take a break from their cars, this will be an opportunity to relax and leave the driving to us.

Other events include a rally and tour along the Fox River, a First Timers show, a traditional car show of all classes of MG's, an awards banquet, a Funkahna to challenge your driving skills, the popular valve cover races, tech sessions, an auction, vendor tables and swap meet, and a photo and craft contest. We look forward to seeing you and your car(s) at GOF Central July 24-27, 2012. Don't miss

what is sure to be a fun and event filled gathering. We hope to see you there!

Safety Fast !
